

PACIFIC JAMBOREE

July 6-13, 2024

CAMP BARNARD, SOOKE, B.C. CANADA

INFORMATION FOR INTERNATIONAL REGISTRATION

Members of the World Organization of the Scouting Movement (WOSM) and World Association of Girl Guides and Girl Scouts (WAGGGS) from countries other than Canada are invited to attend Pacific Jamboree! We know it will be a super fun Jamboree and we are excited to meet you!

This applies to non-Scouts Canada members who are members of other WOSM or WAGGGS-recognised organizations. List of Organizations attached at Appendix 1.

International Volunteer in Positions of Authority

Volunteers offering service (OOS) who are registered in another National Scouting Organization (NSO) can serve in positions of authority as defined by Scouts Canada. They must therefore fulfill all liability, insurance, documentation, screening and training requirements, including a Police Record Check and background Reference Checks.

Scouting Documentation

1. **Participants and volunteers offering service** who are registered in another NSO must have an **International Letter of Introduction** from their National office or Council on a standard form issued by the World Organization of the Scout Movement (WOSM). The purpose of the International Letter of Introduction is to identify the carrier as an actively registered Scouting member. The letter conveys no special privileges. This must accompany your registration.
 - **l'Association des Scouts du Canada and Boy Scouts of America**
Fully active volunteers within l'Association des Scouts du Canada and Scouts BSA are known to have comparative training and screening to those required by Scouts Canada. An **International Letter of Introduction** will serve as proof that a Scouter meets the screening, training and insurance rules set out below. This must accompany your registration.

Screening and Training

1. International Participant Scouters and Volunteers offering service (OOS) who are registered in another National Scout Organization (NSO) must provide a **signed letter from their National Scout Organization (NSO)** on official letterhead, confirming that the adult member has met the NSO's standards for adult screening and this must be uploaded to the registration form.
2. You must also sign the **Scouts Canada's Code of Conduct**. This requirement applies without exception to any member of Scouting age 14 – 18 (Youth version) or over 18 (Adult version) who may have contact with but will not be directly responsible for youth members under 18 years of age. This must accompany your registration.
3. Please read [Scouts Canada's Safety First Policy](#). All Offers of Service (OOS) and Scout Leaders will be required to conform to these expectations.

Liability and Insurance

1. Each Participant, including Scout Leaders and International Volunteers offering service (OOS) who are registered in another NSO must sign the [Individual Release and Hold Harmless Agreement](#).
2. Each individual (participant, Leader, OOS) must provide **Proof of Medical Insurance** coverage which must be obtained prior to arrival in Canada.
3. If **Proof of Organizational General Liability Insurance in North America (Certificate of Liability Insurance in North America)** showing Scouts Canada as an additional insured, of not less than CAN\$2 million per occurrence must be received from a National Scout Organization (NSO). Check with your NSO if this has been sent already (for another purpose perhaps). If it was already sent to Canada, Jamboree participants won't be required to provide it again. They are required to provide all other documentation as indicated above. (Scouts BSA have sent proof of this already.)
 - i. Where a National Scout Organization (NSO) is unable to provide a **Certificate of Liability Insurance** for CAN\$2 million in North America, each patrol or individual participant will be required to **purchase their own coverage** and **provide a certificate from the insurance company**. These documents must accompany your registration.
4. Cancellation Insurance is strongly recommended.
